## 'The Wigwam' Name of Proposed Youth Center; Fund Drive Continues

### Board of Directors Chosen; By-Laws for Charter To Be Drawn

The youth center for which teenagers of Antioch are now trying to get will be known as "The Wigwam."

This name was decided upon Tuesday evening at one of the regular meetings of the young people in the American Legion home.

A committee will meet tomorrow evening at the William Terry resort to form by-laws and prepare for the incorporation of the center under the new name.

Another collection day has been set for Saturday at which time the students will solicit money at Deep Lake, Loon Lake, and Millburn rd. under the direction of Bruce Mix.

Through a canvass in the village of Antioch and a work day the students have formed a bank account of \$850.40, according to Secretary Joanne Haak. The goal is \$2,000.00.

A temporary board of directors has been formed for the incorporation. It comprises:

Mary Herman, Gall Pedersen, Bill Terry, Nick Ryan, Harold Wilson, Bill Blake, Jim McMillen, Nancy Swenson, Nancy Rentner, Garnet Seyfarth.

Mary Lou Osmond, Jim Scully, Jackie Martin, Don Cardiff, Rosalie Morris, Mary Lou Seyfarth, Jerry Huml, Bill Barnstable, Joan Mair, Alvin Nelson, Shirley Nelson, Jim Bown, Dick Huml, Bob Terry, and Vernon Burdick.

The students have been holding weekly meetings at the Legion home and expressed great appreciation for the generosity of the American Legion in allowing them to use the building until they can get a building of their own.

## Mrs. Nellis Murrie, 80, Lifelong Resident of Newport Township Dies

Mrs. Nellis Murrie, 80, of Russell died at 1:25 p. m. Thursday, Dec. 31 at her home following a long illness.

She was born Aug. 4, 1873 in Newport township and lived in that community all of her life. She resided on the farm on which she died 62 years. Four generations of the Murrie family have lived there. It was taken up from the government by the Murries in 1844.

Surviving are two sons, Robert E. and William L. Murrie, both of Russell; a daughter, Miss Doris Murrie of Tucson, Ariz.; a brother, LeRoy J. Slomum of Russell; eight grandchildren and two great grandchildren. She was preceded in death by her husband, R. Grant Murrie, Jan. 13, 1938.

The funeral service was held at 1:30 p. m. Monday at the Strang Funeral home with the Rev. L. H. Messersmith of Millburn officiating.

## Funeral Services for Lyle C. Lasco, 29, To Be Held Friday

Lyle C. Lasco, 29, of Wadsworth, died suddenly Tuesday at the Ann Arbor farm on Hutchins rd. He was born March 9, 1924 in Antioch. He had worked as a farm hand at Lake Bluff, and Hebron previous to the Ann Arbor farm.

Survivors are his father, William F. Lasco, Antioch, five brothers, Richard and Albert of Lake Villa, Russell, Raymond and Robert all of Antioch, and one sister, Mrs. Donna Mae Dieball of Antioch.

Funeral services will be held at 1:30 Friday at the Strang Funeral home, with the Rev. Howard C. Benson officiating. Interment will be in Hillside cemetery.

**Rescue Squad Wasn't Needed**  
The Antioch Rescue squad made a trip to Channel lake Tuesday evening on a report that a woman had suffered a heart attack. Much to their disgust the men found they were not needed, for the woman apparently had merely imbibed too heavily.

**Freshmen Make It Four**  
The Antioch High School freshman basketball team defeated Waukegan 26-23 Monday evening for its fourth victory in five starts. Jerry Huml was high point man with 13 points. The freshmen play at Grayslake next Monday.

## Brother of Antioch Man Killed in Plane Crash

Funeral services for Julius Gross, 47, of rural Waukegan, brother of Emil Gross of Antioch, who was killed in a plane crash in northern Wisconsin Sunday, was held at 2 p. m. yesterday at the Immanuel Lutheran church in Waukegan with burial in Pine View cemetery.

Killed with Gross while he was piloting from Waukegan to Ironwood, Mich., was Delores Heropkie, 14, sister of Gross' daughter-in-law. Gross, a well driller, is survived by his widow, a daughter, Margaret, a son, Eugene, three brothers and two sisters. He was born in East Prussia and had resided in Waukegan since 1925.

## Scully Again Heads Polio Campaign Drive; Workers Are Appointed

### Chairman Calls Upon Area To Repeat Victory of Last Year in 1954

Anthony J. Scully, of 807 N. Main st., for the third successive year has been named chairman of the Antioch polio fund campaign.

E. J. Sletten, banker, has been appointed treasurer.

The March of Dimes is under way and Scully is appealing to the community to respond again as well as it did last year when the goal was topped.

Receptacles for donations already have been placed in public places and the work of house to house canvassing will start soon.

Chosen as workers are:

Mesdames Henry Arndt, F. J. Arnold, John Blackman, Frank Carlson, John Delaney, Walter Delaney, Robert Duha, Joseph DeStefano, Fred Dittmer, John Dupre, Edward Dompke.

Mesdames Rudy Eckert, Richard Endean, William Gerber, Walter Good, George Henriksen, Charles Hoekstra, L. Hribar, William Horton, Jr., Louis Kempf, J. Kodl, J. W. Kopriwa, Wm. Lemke, Thelma Lightsey.

Mesdames James Mapletorpe, Joseph Neme, Torberg Nelson, Clarence Pyle, Nelson Place, Einar Petersen, Morris Pickus, Thomas Runyard, Nils Rosquist, Clarence Schwab, Ed Strang, Roman Vos, Frank Fleider, Frank B. Long, and Jerry Rockow.

Chairman Scully asks that those wishing to help may call his home telephone 502, giving their name and address.

Contributions may be made at the First National Bank, Scully said.

The campaign this year is based on the idea that the polio germ is now known and can be conquered, and the money will help do just this.

## Clarence Berthof, 68, Dies After Wks. Illness

Clarence Berthof, 68, of Camp Lake died Monday at 4 a. m. at his home following a week's illness. He was born April 15, 1885 in Rushville, Ill. He lived at Gary, Ind., for 35 years and from there he went to Chicago, coming to Camp Lake in July 1953. He was a member of Goodfellow lodge and the United Steel Workers of America. He was employed as an electrician at Carnegie Steel Company in Gary for 35 years.

Survivors are his wife, Marie, two stepdaughters, Mrs. Mary E. Blanford of Elmwood Park and Mrs. Lenore Howe of Chicago.

Funeral services were held at 10 a. m. Wednesday at the Strang Funeral home, with the Rev. Smith of Antioch officiating. Interment was in the City Cemetery at Beards-town.

## Large Chicken House Near Millburn Burns

A mammoth chicken house, located on Long Lake road, west of Millburn, was completely consumed by fire early Monday morning, Jan. 4. Property of Dr. Anthony Francosa, of Chicago, the 980 ft. long, two-story frame building housed approximately 15,500 chickens, all of which were burned.

The building was built in 1940 by Paul Sheldon, of Lake Villa, and the chicken raising business was subsequently operated by C. P. Hennecke.

Caretaker Clyde Carroll, 34, was severely burned about the head and was treated at St. Anne's hospital, Chicago. Loss from the fire was estimated at \$40,000.

## Low Volume Users of Antioch Water to Get No Increase in Rate

### Decided Increases Proposed for Large Volume Users in New Schedule

Eighty-seven per cent of Antioch's more than 500 water users will receive no increase in their water rates under a schedule proposed to the village board by the firm of Benjamin and Lang, bond house that handled the village's recent bond issue to pay for the new water well and sewer extension.

Harold Warren, representing the bond house, told the board Tuesday night that the users of large amounts of village water were getting it for less than cost and he recommended an increase in rate for them.

While no action was taken on the proposal, the board is inclined to accept the schedule and in addition has decided to eliminate the 10 per cent discount for all users. This plan would add about 12 cents a month to the average water bill.

The proposed schedule would place the cost of both the sewer and water service to users of water from 1,000 to 6,000 gallons at 80c a thousand; 7,000 to 15,000 gallons, 50c; 16,000 to 20,000 gallons, 47c; 21,000 to 25,000 gallons 44c; 26,000 to 50,000 gallons, 40c; 51,000 to 100,000 gallons, 35c; and all over 100,000 gallons, 30c.

Over the 25,000 gallon limit the breakdown is 25c for water and 15c for sewer service; over 50,000 the water rate is 20c and the sewer service 15c and that is the lowest the water rate goes, but over 100,000 gallons of water the sewer rate drops to 10c.

The increased rates are expected to bring an additional revenue of \$1,500 which will pay the cost of the new well and sewer.

The rate for large volume users has been 11c a thousand which is less than it costs the village to pump the water, let alone supply it. The new rate of 20c will see bills of large consumers nearly doubled.

Warren said, however, that the rates are still low in comparison with other villages.

President James McMillen said that the plan comes too late for the present quarter and that if adopted it will be put into effect May 1.

## Sequoits to Play Rams At Grayslake Friday; Lose to Dundee 74-51

The Antioch High School basketball team will resume its conference play tomorrow evening with varsity and junior-varsity games at Grayslake. The fact that the Rams are low in the conference standing doesn't mean that the Sequoits will not have a battle on their hands and for this they are preparing.

Antioch received a holiday non-conference set-back at the hands of Dundee on the Cardinal floor.

Although Antioch held the Dundee high even during the first half of the game Saturday, the Cardinals came back strong in the second half to win the game 74 to 51.

Dundee's rebounding in the second half was the big difference between the two teams. The Antioch offense couldn't solve the Dundee defense consistently.

The Sequoits showed evidence of letdown in the tempo of their playing as the result of being idle throughout the holidays while Dundee and other teams in the county continued their rapid pace through tournament and other play.

The defeat was only the second in nine games for Antioch.

Saturday's battle was a close one throughout the first half, the first quarter ending a 16-16 tie and the half 26-24 in favor of the Cardinals. In the third quarter the home team forged ahead 48 to 34 and then outscored the Sequoits 26-17 in the last quarter.

Warren Brownlee and Ben Floyd were outstanding on the defense.

Jack Beth with 16 points and John Tarnow with 15 points were (continued on page 5)

## Newlyweds Home From Trip

George Nelson and his bride, Arvis Ring, who were married a week ago Saturday at the Episcopal church in Waukegan, have returned from their wedding trip and are residing in the Leonard Case apartment on Rte. 173. The couple sprang a surprise by a wedding that was much earlier than announced. Nelson is the son of Mr. and Mrs. Lester Nelson and his bride is the daughter of Mrs. Ethel J. Ring.

## GIVE TO THE MARCH OF DIMES

## Nature Supplies the Much Sought Fluorides In the Plentiful Water of Antioch's New Well

Add to Antioch's fortune in getting a 1,000 gallon water well the knowledge that nature has supplied the perfect amount of fluorides to add to the dental health of the community.

Where other villages and cities are spending thousands of dollars to put fluorides in their drinking water to help children grow better teeth, this village has a well that already has one part of fluoride to one million cubic centimeters of water.

According to Engineer David R. Miller the content of the water of the new well shows: iron 0.2; turbidity, 0; color, 0; odor, 0; fluorides, 1; chloride .4; nitrates 1.8; alkalinity, .98; and hardness, 56, a total of

286 parts per cc. This was almost perfect.

While the water can be pumped at the rate of 1,000 gallons a minute, members of the village board were told that the supply is so great that no pump for that size well is yet made that can lower the water level appreciably.

The Public Service Co. has extended its lines to the new well, and electrical attachments have been made. Now the pump house will be completed and in two or three weeks this bountiful supply of wonderful water will enter Antioch mains, the homes and business places.

The lift pump for the new sewer is yet to be installed, but the hole for it has been dug.

## Rena M. Clarke, 74 Of Victoria St. Dies; Was Past Noble Grand

Death came at 9:15 a. m. Friday to Rena M. Clarke, 74, of 1037 Victoria st., Antioch, at Victoria Memorial hospital, Waukegan, following an illness of 10 days.

Mrs. Clarke was born Nov. 9, 1879 in Antioch township, and moved to Minneapolis in 1905. From there she moved to Detroit in 1918, and then back to Antioch 18 years ago.

She was past noble grand of Lakeside Rebekah lodge, 82 of Antioch. Surviving are the daughter, Mrs. Velma Jackson, Antioch; a son, Clair W. Elliott, Antioch; five grandchildren, and one great grandchild.

The funeral service was held at 1 p. m. Tuesday at the Strang Funeral home with the Rev. Howard Benson officiating. Interment was in Fox Lake cemetery.

## Lake Shangri-la Youths Escape Serious Injury In Car Crash Monday

How Merle and Milton Holdorf and Joseph Perillo, teen-agers from Lake Shangri-la escaped with but minor injuries is a wonder when the wreck of their car which crashed into a bridge on Channel Lake rd. at the state line Monday night is viewed.

Milton, 14, a Salem eighth grade pupil, got a few teeth knocked out; his brother, Merle, was scratched a little, and the driver and owner of the 1949 Ford four-door sedan, Joseph Perillo, 17, got a cut under one eye. They were treated by Dr. I. L. Breakstone.

The car was hauled in by Ray's Shell Station and is still at the station. The car struck the bridge at the right rear door with so much force that the top was collapsed over the heads of the three boys riding in the front seat.

## Truckload of Furniture Of Nagle Family Burns

The household furnishings of the William L. Nagle family of Indian Point were destroyed by fire Saturday while they were being moved in a truck driven by Louis Labianco, Jr., of Lyle, Ill. Libianco was driving on Rte. 12 near Rte. 134 at Big Hollow when he discovered the contents of his truck on fire. The Fox Lake fire department answered the call but was unable to save the furnishings. The truck driver believes the fire started from a cigaret flipped from the car of a passing motorist.

## Riemers Files Lien On Oakwood Knolls; Blocks Acceptances

### Village Cannot Take Over Water Mains and Roads Until Crown Pays

Attempts to have the water mains and streets of Oakwood Knolls accepted by the village hit a snag Tuesday evening when members of the village council were informed by Michael Reimers, Grayslake contractor, that he has filed a mechanic's lien against the property.

Atty. Joseph Sikes, representing Reimers, who operates his business under the name of the Inland Lakes Sewer and Water Co. told the council that the Crown Realty Company refused to give Reimers a note for the work he did in laying the water mains.

"All we wanted was protection in event the Crown Realty Company transferred title to the subdivision, or turned the roads and water mains over to the village against whom we could not take action in collecting money due Mr. Reimers," Atty. Sikes explained.

Sikes said that Mark and Joseph Horwitz, owners of the subdivision, had promised a note, but at the last minute refused to give it, although Reimers asked no interest and gave the firm 24 months in which to pay. Now the village cannot take over the streets and water mains because the Crown Realty Company cannot provide waivers on the indebtedness.

Joseph Horwitz had the village trustees to meet in a special session Saturday afternoon at which he submitted an ordinance for their adoption in which they would take over the streets and water mains.

David Miller, engineer for the village, had reported that a good job was done on both and both meet the requirements of the village.

There were a few stipulations in the ordinance, however, that the trustees didn't like, so they instructed Village Attorney Edward C. Jacobs to draw up one for them. He had not completed it by last night and was not present at the meeting. He also informed Joe Horwitz that the ordinance wasn't ready and Horwitz was not present either.

Had the Horwitz ordinance been accepted and passed Saturday, Reimers might not have been able to file the mechanic's lien for his work, an amount estimated between \$30,000 and \$40,000 and the village might have been involved in litigation.

Atty. Sikes asked the village not to do any work on the Oakwood Knolls roads because such action would constitute acceptance of them.

It was said that in the ordinance submitted by Horwitz Saturday, the Crown Realty Company agreed to allow the Regal China and any others to attach to its big water main at a rate of \$2 a front foot.

## Mrs. Clara Doty, 84, Of Felters Subdivision Was Sick But 10 Days

Mrs. Clara Doty, 84, of Felter's Subdivision west of Antioch, died Monday in St. Therese hospital, Waukegan, where she had been a patient since Christmas. She would have been 85 years old yesterday.

Mrs. Doty was born Clara Babcock in Wilmington, Ill., and lived for a time in Custer Park, Ill. She later moved to Stuttgart, Ark., and then came to Lake county in 1940, residing at Ivanhoe until 1943, when she moved to the Antioch community. She was a member of the United Presbyterian church at Stuttgart. She had endeared herself to her neighbors in Felter's subdivision since coming there 11 years ago.

Surviving are three sons, Carl, of Antioch, Dr. Warner W. Doty, Chicago, and Dr. J. Roy Doty, Glen Ellyn; two sisters, Miss Elizabeth Babcock and Mrs. Emma L. Young, both of Antioch; a brother, George R. Babcock of Florence, S. D., five grandchildren, a niece, Mrs. Ruth Thornton, Wilmington, and a daughter-in-law, Mrs. Hubert Doty of Monmouth, Ill.

The funeral service was held at 1 p. m. yesterday at the Strang Funeral home with the Rev. Howard C. Benson officiating. Burial was at Custer Park, Ill.

Mrs. George Cervenko suffered a stroke Sunday. She was taken to the Chicago Memorial hospital on Monday when her condition is improving.

### How Strong Are We?

As a new year begins, it is the part of wisdom for a nation, like a business, to review its assets and its liabilities.

On the credit side, the United States has an unrivaled standard of living. Our men and women enjoy wages and working conditions superior to those existing anywhere else. The tide of goods and services that flow endlessly along the American production and distribution line staggers the imagination. Materially speaking, business, agriculture and labor are doing well.

We have a political system which comes as close to being responsive to the wishes of the people as anyone can conceive of. In the last presidential election the people removed from power a party which has been in control for 20 years and put another in its place. In some future election the party now in power will be replaced. But no heads roll; no purges are held; the losers are not liquidated. All are free to air their views.

We are no longer actually at war, unsatisfactory as the Korean situation is. If recent reports are correct, our military strength and that of Western Europe have shown remarkable improvement. The chance of another world war is less than it was.

So much for the credit side of the ledger. What of the debits?

The most disheartening domestic development of recent times has been the growing dependence of millions of people on government, mainly the federal government, to provide services and benefits that, if a free system is to be preserved, must remain the responsibility of the individual and the family group. There has been a blind seeking for a kind of cradle-to-the-grave security whose end, in the sweep of his-

tory, has always been the sapping of moral fiber and spiritual values and ultimate slavery. The most obvious manifestations of super-government are crushing taxes and mounting national debts, and the inevitable undermining of economic and political freedoms.

Another phase of the debit side is found in the long strides that have been made in either socializing outright American enterprises and resources, or in subjecting them to so much government dictation and control that socialization comes ever nearer. And socialism, historically, is but the forerunner of communism or some similar system of government by oppression and terror.

It is true that our present government is pledged to reverse this deadly process. It is true that some heartening steps in that direction have been made. It is equally true that the forces that would destroy our free system and replace it with a very different kind of system are still awaiting their chance.

As a matter of self preservation we must put the welfare of the nation first in considering the important national issues, because our jobs, our businesses, our farms, and our liberties depend upon the perpetuation of a strong nation of self-governing people.

What the decision will be depends entirely upon our moral strength. Will we welcome policies and programs that are in accord with the philosophy of maximum freedom for all—and will we accept the temporary financial dislocations that such policies and programs may create? It will not be easy to end the era of do-all, give-all government. But, if the traditions and ideals to which we all pay lip service, and which have made us great and strong are to be preserved, it is as necessary as the air we breathe.

Nineteen fifty-four will be a year to test whether the American people will have what it takes to maintain themselves as independent individuals.

## DEEP LAKE

(By E. E. Strohl)

Our Auxiliary president, Mrs. Erick Larson, has been the talk of the town. She and her six year old son, Rickey, emerged unscathed from an automobile accident which totally demolished their car, after plunging over a 15-foot embankment and turning end over end. This happened Saturday, Dec. 26, on Route 173 at Channel Lake.

The Paul Petak family were also unhurt after a collision at the intersection of 83 and 173. This was Saturday, too. A lucky Saturday for these Deep Lakers.

The Children's party was everything a children's Christmas party should be, with gifts, prizes, refreshments and games for the 50 children who came, and went home happy.

## NEW 1954 CHEVROLET

The new 1954 Chevrolet Bel-Air 4-Door Sedan. With three great series, Chevrolet offers the most beautiful choice of models in its field.

It stands to reason that you'll get the finest Valve-in-Head engine in the low-price field from the world's largest builder with 40 years of experience in developing and improving this type of engine. And now for '54... New power! New economy of operation! Smoother, quieter, finer performance!

For 1954, Chevrolet brings you your choice of two great high-compression Valve-in-Head engines. One, the advanced "Blue-Flame 125" engine, delivering 125-h.p. and teamed with the highly perfected Powerglide Automatic Transmission, now available on all models at extra cost. And the other, the advanced "Blue-Flame 115" engine, delivering 115-h.p. and teamed with the highly improved Synchro-Mesh Transmission, providing smooth, quiet gear engagement.

Both of these engines give sensational new results in every phase of performance, from increased power on the hills to increased responsiveness on the road, from greater flexibility to smoother, quieter operation, from newly improved gasoline economy to longer life. And most important of all, they bring you that steady, unvarying, day-in-and-day-out dependability which you naturally expect of the product of the manufacturer who has built more than twice as many

Valve-in-Head engines as all other makers combined! In addition, the new Chevrolets offer many other far-ahead features, including: Stunning new Fisher Bodies with a total of 161 model-color combinations! Time-proved Power Steering, optional at greatly reduced cost on all models! And the softer, smoother Knee-Action Ride! Come in; see and drive this smarter, livelier, thrifter Chevrolet for 1954; and place your order now!

## Gram Tells Women F. B. I. Investigates Does Not Prosecute

The Federal Bureau of Investigation is but one of many government investigative bodies, but probably is the best known, O. Arthur Gram of Waukegan told the Antioch Woman's club Monday.

Gram said the F. B. I. as a branch of the department of justice merely gathers facts and is not a prosecuting agency. It was founded 45 years ago and has its own training academy at Quantico, Va. It investigates violations of 120 different federal laws.

The club members were informed by Mrs. A. J. Scully, chairman of the Korean aid drive, that clothing to be sent to Korea, particularly for children, will be collected until the next meeting. Gifts may be brought to the Scout House.

Refreshments were served by a committee headed by Mrs. Howard Gaston at Monday afternoon's meeting.

## Altar-Rosary Society Installs New Officers

Officers were installed Monday evening by the Altar and Rosary society of St. Peter's church.

Mrs. Thomas Pechousek assumed the duties of president; Mrs. Robert Berg, as vice president; Mrs. Lester Sullivan, secretary; and Mrs. R. W. Yancey, treasurer. Mrs. Anthony Scully was retiring president.

Mrs. Pechousek outlined the program for the coming year and announced the following committee chairmen for the year: Mrs. R. W. Yancey, study club; Mrs. Joseph DeStefano, daily mass and retreat; Mrs. Richard Hedberg, library and literature; Mrs. Cecelia D'Ambrose, charity; Mrs. Edward Cranley, decency crusade; Mrs. Frank Kennedy and Mrs. Dudley Kennedy, St. Vincent's Orphanage; Mrs. Arthur McGreal, medical missions; Mrs. Rudy Eckert, membership; Mrs. Thomas Quilty, sewing, and Mrs. Anthony Scully, program and publicity.

The programs are as follows: Feb. 1, card party for members; March 1, speaker; April 5, library and literature and study club will be in charge of a book review; May 3, speaker; June 7, Marian Year Pilgrimage to churches dedicated to the Blessed Mother; July 12, business meeting for bazaar planning.

August, card party for members; Sept. 13, annual luncheon; Oct. 4, medical mission and shower for nuns; Nov. 1, St. Vincent's Orphanage shower, Dec. 6, election of officers and Christmas party.

## Centennial Anniversary Of I. E. A. Is Observed

This year marks the 100th anniversary of the Illinois Education association to which Antioch teachers belong.

The official opening of the centennial took place during the state convention at the Sherman hotel in Chicago, Dec. 28, 29, and 30.

A chronicle, "The Past Is Prologue," depicting 100 years of educational progress in Illinois was a feature of the convention.

## MASONS TO HOLD SPECIAL MEETING

Sequoit Masonic Lodge No. 827, A. F. and A. M. will hold a special meeting Saturday evening at 7 p. m. in the Masonic temple.

"We will confer two first degrees at this special meeting. Due to the fact there are several petitions waiting for degree work to be conferred we will have several special meetings this year. This will be one of the few Saturday meetings to be held this year, however," explained Bernard Guillaume, worshipful master of the lodge.

## OLSENS TO ENTERTAIN SUNDAY EVENING CLUB

Mr. and Mrs. Clarence Olson will serve as hosts to the Sunday evening Club of the Methodist church at 8 p. m. Sunday at their home on Route 59. Olson will present nature slides which he has taken for the program. The Rev. and Mrs. Howard Benson will direct devotions and recreation.

Dr. and Mrs. Carol Tossey and son, Tommy, visited Mrs. Tossey's parents at Richmond, O., and the doctor's mother at Columbus, O., during the holidays. Mrs. Einar Peterson returned home to Antioch with them after visiting her daughter, Mrs. Gerald Crichton and family.

Edward P. Cranley, Jr., has returned to school at St. Bede's academy at Peru, Ill., after spending the holidays with his parents, Mr. and Mrs. Edward P. Cranley of Loon Lake. Edward, Jr., is an honor student and letter man this year.

Frederick Zeien, a student at Milliken University, Decatur, Ill., spent the holidays in Antioch with his parents, Mr. and Mrs. Nick Zeien. He returned to college Monday.

## Chamber of Commerce Dinner on Wednesday; Officers to Be Chosen

Every business man in Antioch has a special invitation to attend the first annual dinner of the Antioch Chamber of Commerce which will be held at 7 p. m. Wednesday, January 13, at Smart's Country House.

L. A. "Tony" Amundson, executive secretary of the Waukegan-North Chicago Chamber of Commerce, will be the speaker.

Members have been asked to bring non-members and their wives as guests and to make reservations by Jan. 11, although tickets still can be purchased the day of the dinner.

Russell Barnstable, O. I. Onstad, Harold Nelson and Bruno Manzardo were elected to the board of directors at a meeting held last week. They will replace Charles Cernak, G. E. Borovicka, Joseph Patrovsky and Rudy Eckert whose terms have expired.

Board members who have another year to serve are Art Meyer, Marion Pechousek, Ted Larson and Dean Williams.

The new board met in an organization meeting today (Thursday) and elected the following officers to serve for the coming year: Art Meyer, President; Harold Nelson, vice president; O. I. Onstad, secretary and Marion Pechousek, treasurer. The new officers will assume charge at the January 13th annual meeting.

## Lakeland Players Elect; To Choose Play Friday

The Lakeland Players will meet at 8 p. m. Friday at the Charles Anderson home to select a play for spring presentation.

Officers for 1954 recently elected are Marlyn Hagen, president; Robert Taylor, vice president; Elsie Hagen, second vice president; Annette Steiber, secretary; and Betty Coons, treasurer.

Polley Chairman N. B. T. A. Two members of the Antioch High School faculty, Miss Eileen Schutte and Warren Polley attended the annual convention of the National Business Teachers association at St. Louis Dec. 28 to 30.

Polley served as vice chairman of the Secondary Schools division and will serve as chairman of this group at the next annual meeting in Chicago. He is also treasurer of the Chicago Area Business Teachers group which meets monthly for luncheon at Marshall Fields.

## Band Association to Meet

The Lake Villa Band association will meet at 8 p. m. Tuesday with Mrs. Olive Martin presiding. Band insurance will be discussed at this time. Local talent will provide the entertainment and refreshments will be served.

Mr. and Mrs. Ernest Wells of Grand Avenue were dinner guests at the Gordon Wells home on New Year's Day.

Corporal Martin Harmon of Rte. 3, Antioch, will arrive today in Seattle, Wash., aboard the transport Marine Lyn. Cpl. Harmon is one of five Lake county men expected on the transport.

### Horan Tells Trustees Public Opinion at Low Ebb on Civilian Defense

John L. Horan, civilian defense director for Antioch, told the village board Tuesday evening that the people of this community are showing a general apathy to the matter of civilian defense.

Mayor James McMillen agreed with Horan and said that he was guilty of the same attitude.

Director Horan said that he had held meetings in which the importance of defense methods was explained, but not much in the way of action has resulted.

He and the trustees agreed that the fire department and rescue squad are well trained and are working nicely as was evidenced in the co-ordination of efforts of fire departments here at the time of the Regal China Co. fire.

Horan said, however, should a major disaster occur during the summer when thousands of visitors are in the Antioch area the hysteria and fear might be great. Little has been done in training civilians in first aid methods and to prepare for housing of injured.

President McMillen told Horan to investigate matching funds of the state and federal governments that might be obtained for local equipment. The fire department is without two-way radio for its truck and must depend on the police car and Rescue Squad trucks for communication.

### Gar Leaf Asks Voters To Re-Nominate Him For Lake County Clerk

Garfield R. Leaf is seeking re-election for county clerk through the Republican primary.

The following is a brief biography and sketch of Mr. Leaf's public activities:

Garfield R. Leaf was born in Waukegan, Illinois, May 26, 1902. "Gar," as he is known to thousands of Lake County citizens, received his early education in the Waukegan Public Schools. The family moved to Lake Forest where he continued in the grade schools and later was graduated from the Deerfield-Shields Township High school, Highland Park, following which he entered Lake Forest college.

During his college years he was an outstanding figure in many of the school's athletic activities. After finishing his studies he continued to follow along athletic pursuits until he engaged in the automobile service business and operated a station at Madison and Sheridan Road, Waukegan.

In 1928 he accepted a position in the office of County Treasurer Jay B. Morse. In 1934 he was appointed Deputy Treasurer and Cashier. In 1938 he was elected county treasurer where he served four years and then accepted a position as deputy county treasurer and cashier. In 1944 he was nominated, appointed and elected to the office of coroner after the death of Dr. John L. Taylor who had served since 1900. He served as coroner until December 1950 when he then succeeded Jay B. Morse, retired, as county clerk of Lake county, which office he now holds.

As county clerk he is also clerk of the county court, voters Registration officer and secretary of the board of supervisors.

In performing his many ministerial duties he has demonstrated both administrative and executive ability. During the years in which he has been associated with the county's financial department and the office of coroner and county clerk, he has proved efficient in performing the work assigned to him, and has ever been courteous and accommodating to the thousands with whom he has had to deal. As a public servant he has proved to be fearless, honest and industrious.

### Hot Lunch Price Upped At Channel Lake School; Community Club O. K.'s

A discussion was held at the last meeting of the Channel Lake Community club on the hot lunch program for the school, and the members present voted unanimously for the price increase of the lunches. Mrs. E. Eberman, chairman, said the increased cost in food and kitchen aid, and the decrease in State and Federal aid necessitates the increase. The new lunch price of \$1.25 will go into effect Monday, Jan. 11.

A nominating committee was appointed to select candidates for president, vice president, treasurer, and publicity chairman for the coming year. They are Mrs. Sven Dahlman, chairman, Elmer Eberman and John C. Hojem.

The Channel Lake basketball teams won the games played against the Antioch Grade school. It is the first time Channel Lake beat Antioch. Maybe the new red and gold uniforms are a "good luck" omen. The teams next play at the Gavin school Jan. 15, at 3:00 p. m.

Mr. and Mrs. Arthur Trieger had as guests at Christmas dinner Mr. and Mrs. Richard Kennedy and Mrs. O. E. Hachmeister of Congress Park.

### Auxiliary News

The Antioch Unit, American Legion Auxiliary will meet in regular session Friday, Jan. 8, at 8 p. m., in the Legion Home. Mrs. Myra Randall, legislative chairman of the Unit has obtained as guest speaker for the evening, Mrs. Adeline Geo-Karis, a practicing attorney from Zion, Ill. Her subject will be "Legislation" which should be of great interest to all auxiliary members. Mrs. Geo-Karis was interpreter for the king and queen of Greece during their recent visit to Chicago.

### Return From Florida Trip

Mrs. Louis Biel and daughter, Gretchen, returned Sunday from a two-week trip to Florida. They were accompanied by the son, Paul, who attends Wabash college at Crawfordsville, Ind.

### Arthur C. Stevens, 74, Dies at Virginia, Minn., Brought Here for Burial

Arthur Chase Stevens, 74, who as a child spent his summers in Antioch, died last Thursday at a Virginia, Minn., hospital, where he had been a patient for several days following a fall on a sidewalk in which his hip was broken.

Mr. Stevens was born in Wacedah, Mich., and had been a resident of Virginia since 1895. He was a former employee of the Virginia school district as a secretary in the maintenance department, retiring five years ago. He was a member of the First Presbyterian church and the Elks lodge.

Surviving are a sister, Mrs. W. H. Nichols, Eveleth, and two cousins, Mrs. H. H. Grimm of Antioch and Ira Boylan, Chicago.

The funeral service was held at 2 p. m. Monday at the Crun and Nelson Chapel in Virginia, and the body was then brought to Antioch and graveside services held at 3 p. m. Tuesday at Hickory Union cemetery with the Rev. Howard C. Benson officiating.

### Toft New Fireman

of light-duty trucks -

# the 1954 GMC

GMC's MUSKY NEW STANDARD PICKUP, powered with 125-horsepower engine—most powerful standard six in the field. A de luxe model with chrome grille and trim, two-tone exterior paint and cab rear corner windows is available at extra cost.

**GMC**  
HYDRA-MATIC  
TRUCKS

HERE is the most extraordinary light-duty truck ever built.

It has the smart styling of a fine passenger car to give its owners distinction and prestige.

A sweeping grille of modern design—a panoramic one-piece windshield—two-tone interiors with harmonizing upholstery—these are some of the luxury features that will make you proud to be seen in it.

But its practical side—its capacity for work—is even more exceptional.

It hasn't just more power than any truck in its class. It has a whopping 125-horsepower engine—more powerful than many trucks with a two-ton rating.

The Pickup—one of 19 models—has a box that holds up to 11 more cubic feet than last year's

capacious model. Its tail gate is grain-tight—and sand-tight.

The dials on its handsome instrument panel are clustered. They can be read at one swift glance through the open top-half of a smart tri-spoke wheel.

And—a truck feature pioneered by GMC—it offers the driversaving, moneysaving advantages of Truck Hydra-Matic Drive®.

One final and surprising point. The price of the GMC, value for value, is unsurpassed anywhere on the truck market.

That's the story. The next move is yours. Come in and see "the world's most modern truck." And—make it soon. \*Optional at extra cost

The '54 BUICK's got it—  
The BIG CHANGE you've been hoping for!

Exemplar of the 1954 Buick's years-from-now styling is this stunning new Super Riviera

THE instant you see these 1954 Buicks, you'll know that something sensational has happened in automobile styling.

Here is vastly more than the usual model change-over. Here is vastly more than could be done just by warming over what Buick had before. Here is something accomplished by going far beyond artful face-lifting.

Here is that rarity of rarities—a completely new line of automobiles.

But Buick didn't stop with the bolder, fresher, swifter-lined beauty you see in raised and lengthened fender sweep—in the huge and back-swept expanse of windshield—in the lowered roofline—in the host more glamor features of exterior modernity.

They upped all horsepower to the highest in Buick history.

They engineered a new V8 for the SPECIAL—and in the process came up with new Power-Head Pistons that boost gasoline mileage in every engine.

BUICK  
the beautiful buy

They brought to market a sparkling newcomer with a famous name, the Buick CENTURY—a car with phenomenal horsepower for its weight and price—a car with more pure thrill per dollar than any Buick ever built.

And they did all this without change of the price structure which, for years, has made Buick the most popular car at its price in the world.

We invite you to come in and inspect these great beauties, these great performers, these great buys. Then you'll see why the Detroit previewers are already saying, "Buick's the beautiful buy!"

## SHORT STORY

## Glorious Morning

By Norman Disher

AUNT DELL never talks to Uncle Elmer any more. They had had a disagreement four months ago just before I first came to visit them and since then they have not spoken a single word to each other. By the time I arrived in July they had arranged a non-speaking truce.

They would get up at eight and Aunt Dell would fix breakfast which they ate in silence. When they had finished, Uncle Elmer would get up and slowly walk out into the backyard.

Sometimes he would work in the orchard or the garden depending upon his mood. After he'd left, Aunt Dell would begin a torrent of words, sometimes directed at me, sometimes at herself.

"Good Gosh, that man will drive me to distraction," she would comment. "He's the stubbornest creature on this earth. Land sakes! Then she would tear into her housework furiously.

I tried to find out why they had quarreled but neither of them would tell me. I guess a boy of

Sometimes Uncle Elmer would work in the orchard or the garden depending upon his mood.

twelve is not a good diplomat. I liked to play in the orchard and I sometimes found Uncle Elmer fussing with his trees. He'd look at me and sort of nod his head then he'd say something like: "Boy, don't ever get married. Women are too hard to get along with. That Dell will have me in an early grave with her stubborn streak." After his pronouncement he would go back to fussing with the trees.

I knew Aunt Dell and Uncle Elmer really loved each other so I made up my mind that I was going to do something about it; I didn't know just exactly what, but I was determined to bring them around to speaking.

A couple of nights after I had made this decision I began a conversation by saying: "Uncle Elmer, did you notice that grey Buck Rabbit in the first pen doesn't look well? I think he's sick." I knew the rabbits are Aunt Dell's special fondness. Uncle Elmer merely grunted and resumed eating.

"Land sakes," Aunt Dell remarked, "rabbits take care of themselves. Don't worry he'll be alright." She glared across at Uncle Elmer. They'd agreed long ago that Aunt Dell would take care of the inside work and Uncle Elmer would handle the outside chores.

"Land sakes," Aunt Dell repeated angrily from the kitchen where she began banging pots and pans to express her disgust.

"If she thinks I'm going to waste my time on her pets, she's mistaken," Uncle Elmer muttered softly to himself.

"But that Buck does look a little droopy," I told him.

"Forget it Toddy, he's just getting lazy this time of the year; he'll be better in a couple of days."

Later that night a noise downstairs awakened me and as my window overlooks the whole backyard and the moon was shining brightly, I could see Uncle Elmer moving quietly across the yard. He stopped at the first rabbit pen and started to unlock the door when a noise interrupted him. He ducked behind the pen and hid. Aunt Dell now appeared, she paused then moved silently over to the first pen and undid the latch. She reached inside and brought forth the big Buck rabbit.

"Why, there's nothing wrong with this animal!" she exclaimed after looking at him closely.

Uncle Elmer got up from his hiding place and took the rabbit away from an astonished Aunt Dell.

"Let me see," he said. "You're right, he looks healthy enough; why I'll bet that young scamp..." Aunt Dell reached over, took the rabbit and placed him carefully back in his pen, then took Uncle Elmer's arm. They strolled around the quiet orchard while then returned to the house and everything was quiet again.

The next morning at breakfast Aunt Dell was singing and Uncle Elmer sat down beaming.

"What are you going to have for breakfast, Elmer?" Aunt Dell called from the kitchen.

"Hotcakes, coffee, bacon and eggs; if you please Della," he answered.

Injunctions Against Corporations Springfield, Ill. — Secretary of State Charles F. Carpenter today filed four suits for injunctions against out-of-state corporations and companies charging them with violations of the Illinois Securities Law.

The groups are the Las Vegas Greyhound Association, Inc., of Las Vegas, Nevada; the Producers Film Group, Inc., of Hollywood, Calif.;

the Shosse Mining Co., of Haily, Idaho; the E. W. McRoberts & Company of Twin Falls, Idaho, and Parkmaster System, Inc., of Spokane, Washington, and its secretary, William G. Ennis.

All the corporations and companies are charged with selling securities in Illinois which have not been registered or qualified with Secretary Carpenter's office.

# '54 FORD the "worth more" car declares a dividend

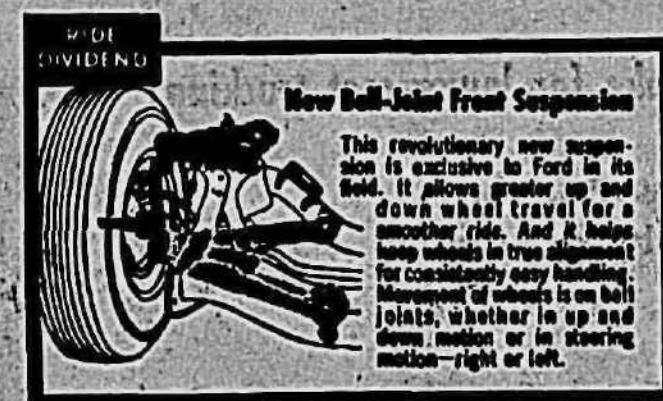

Here Now!

STYLE DIVIDEND

3 distinctive lines  
— 14 brilliant body styles

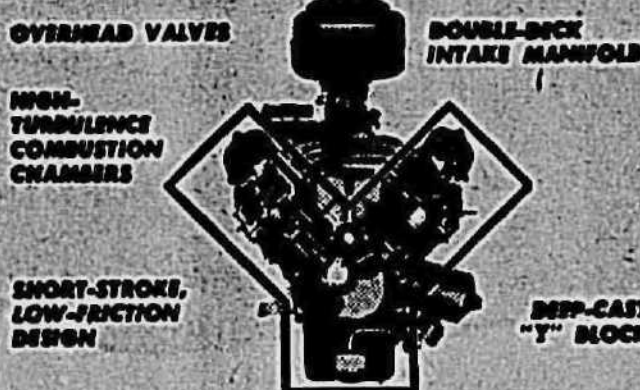

YOU'LL FIND THAT EACH NEW feature in the '54 Ford is an extra dividend in driving enjoyment... establishes Ford, even more in '54, as the "Worth More" car. You get a special dividend in styling with Ford's distinctive new appearance. You get sparkling new interiors, too, that are a dividend in themselves. And each of the new Fords gives you special dividends in ride and performance... with new Ball-Joint Front Suspension, the greatest advance in chassis design in 20 years... with your choice of Ford's new low-friction Y-block V-8 or I-block Six, the most modern engines in any car today! With 28 brilliant new models to choose from, you'll find the exact car to suit your tastes and requirements. Come in... See and Test Drive the '54 Ford.

New Ball-Joint Front Suspension

This revolutionary new suspension is exclusive to Ford in its field. It allows greater up and down wheel travel for a smoother ride. And it helps keep wheels in true alignment for consistently easy handling. Movement of wheels is on ball joints, whether in up and down motion or in steering motion—right or left.

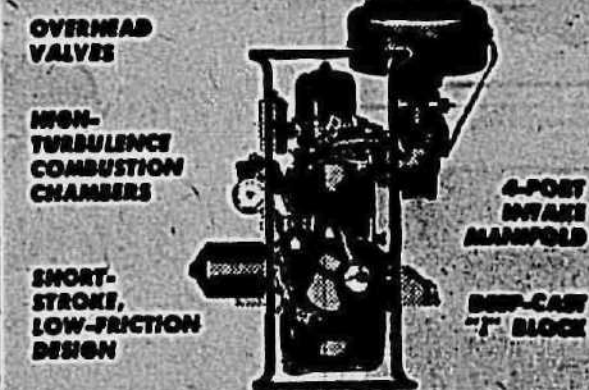

## The new 130-h.p. Y-block V-8

The greatest engine advances since the original FORD V-8

BOTH NEW 1954 Ford engines... the Y-block V-8 and the I-block Six... have overhead valves for most efficient high-compression operation on today's fuels. Valves are free-breathing to give you the most GO... free-turning to seat tightly and maintain high compression. Both engines have a deep-cast block with skirt that extends well below the crankshaft for greater strength and rigidity... smoother, quieter performance and

**SPRINGFIELD, ILL.** — The organization of teachers, more than 45,000 now observing the 100th anniversary of the Illinois Education Association, started in a Bloomington church.

Ministers, publishers, agriculturists, as well as educators, urged formation of the State Teachers Institute, later called the Illinois State

Teachers association for 80 years, now known as the Illinois Education Association.

The Methodist church, Bloomington, was the scene of the first meeting on Dec. 28, 1853.

Raising the standards of teaching and promoting "the greatest diffusion of knowledge throughout the state" were purposes cited for the

organization. D. Brewster of Kane county became the first chairman; Charles E. Hovey, the first association editor.

In 1857 the state association took a bold step. It permitted female teachers to sign the roll, to pay the fee of \$1, and to vote.

Travel conditions often delayed teachers on the way to the state

educational conferences. Some spent as much as a week in getting from Chicago to Bloomington, or Springfield, during stormy weather in early days. Although it was recognized only teachers should hold offices in the new organization, the constitution provided for others to do so "when sufficient pedagogues could not get there."

# Announcing for '54 NEW FORD TRUCKS with *TRIPLE ECONOMY!*

**NOW! 5 Ford engines offer  
the mightiest concentration of power per cubic  
inch ever in any truck line! V-8 and SIX!**

For the power they develop, the engines in the 1954 Ford Truck line have *less cubic inch displacement* than engines in other-make lines. For example, Ford's 239 cu. in. *Power King V-8* develops its 130 h.p. on as much as 48 cu. in. *less displacement*. Smaller-displacement engines normally need less gas! That's one big reason why Ford concentrated power offers greater economy!

Ford takes the lead in **ALL 3** vital factors that make for lower-cost trucking!

1. Now, only in Ford Trucks—gas-saving, LOW-FRICTION, high-compression, overhead-valve, deep-block engines in all truck models! 115- to 170-h.p.!
2. New Driverized Cabs, Master-Guide Power Steering, Power Brakes, Fordomatic Drive for faster control!
3. New greater capacity! New Factory-Built "6-wheelers," gross up to 48% more!
